*Making Memories, Changing Lives.*

## **PUBLIC NOTICE AND POSTING**

Livermore Area Recreation and Park District, in keeping with our ongoing efforts to serve all members of the community, is developing an Americans with Disabilities Act (ADA) self-evaluation and transition plan. This accessibility plan will provide a comprehensive design for access for individuals with disabilities to District facilities, parks, programs, services, activities, and events.

Livermore Area Recreation and Park District is seeking input from agencies, organizations, and individuals with disabilities. The value of stakeholder guidance will help address and prioritize current and future needs. Individuals who would like to provide input are invited to complete a survey, call, or email the ADA/Section 504 Coordinator. Surveys are available for organizations that represent individuals with disabilities, patrons, community members, employees, and other interested individuals who wish to participate in the evaluation.

Your comments and opinions are important to us and will provide valuable information regarding how Livermore Area Recreation and Park District can better serve individuals with disabilities. Surveys can be found on our website at [www.larpd.org](http://www.larpd.org). Please contact Fred Haldeman, ADA/Section 504 Coordinator, for more information regarding the Americans with Disabilities ACT, if you have questions or comments or would like to request a survey in an alternate format.
